The data contained in this booklet was not available at the time the Davis Family was published in 1927. The families not complete have a foundation and can be easily added to and extended by any one who can secure the necessary information. Several interested in this record have endeavored to obtain the necessary data but no responses have been received.

Nancy Cooksey (Willcox) Rountree, of Rockdale, Texas has shown most interest and energy in collecting this data.

The record of Thomas Morgan Wallis of Kentucky has been furnished by Mary Wallas Lyon, of Lexington, Kentucky. It has been included as received with no effort to verify any portion of it. This record is purely Wallis and has no connection with the Davis family so far as is known.

## 1 MARGARET DAVIES (5) MORRISS.

( Martha Davies 4, Samuel 3, David 2, Morgan 1.)

She was the daughter of Martha Davies and Henry Morriss, born Chesterfield Co., Virginia in 1785. She was called "Peggy." She married in 1799-1800 Robert Wallis, of Chesterfield Co., Virginia who was born circa 1768 in Culpepper county, Virginia.

The record of Thomas M. Wallis which follows that of Robert Wallis has no connection with the Davis Family whatever, he is believed to be a nephew of Robert. It has been included purely as a WALLIS record.

Robert Wallis resided in Chesterfield county, Virginia in 1810 and moved to Maury county, Tennessee, about 1813. An aunt, Margaret Davies, moved to Tennessee with the family and died there.

Robert left a will recorded in Maury Co., Tennessee and dated 16 Jan. 1836, it was sworn to in 1844.

Margaret apparently was deceased before 1850.

County of Maury, State of Tennessee, being in health and of sound and disposing mind and considering the uncertainty of human life do constitute this writing my last will and testament. In the manner and following, to-wit:

I desire that my dutiful and affectionate wife Margaret may as soon as convenient to her after my death sell off as much of my estate as may be necessary to pay my just debts, if I should have any - as my executrix hereby appointed by me, as my wife Margaret may need a friend after I am gone, If security should be required of her by the Court for the performance of any duty, I therefore will and devise that no security is to be required of her in any case whatsoever -

Secondly- I, Robert Wallis, do hereby give and bequeath to my dear wife Margaret all my real estate, personal and mixed estate - believing that she will make an equitable distribution of the property at her death among our children, as she knows better than any other person what part each of them have already received - she is getting old and infirm - and when I am gone the power to give will make them dutiful and attentive to her as I hereby give her the power to reward those that are most dutiful to her - Any part that may be given to my son John's children, I request may be laid out in their education, as he has proved so unsteady, no part of my estate is to be given him in any way or at any time unless secured to his children - so shure I am that he would waste it -

This will I wrote in the year eighteen hundred and thirty six on the sixteenth day of January.

Robert Wallis.
